

TECHNOLOGY SUPPORT PLAN

Purpose: The purpose of this Technology Support Plan is to leverage advanced technology to enhance coaching, player development, and performance analysis, in compliance with Canada Soccer Club Licensing requirements.

Scope This plan applies to all teams and programs within Elite XI Soccer Academy.

Technology Tools

- 1. VEO Cameras**
 - Use VEO Cameras to record training sessions and matches. These cameras provide high-quality video footage that can be used for performance analysis.
- 2. Analytics Software**
 - Implement video analysis software that integrates with VEO footage to provide detailed performance metrics and insights.

Objectives

- 1. Performance Analysis**
 - Provide coaches and players with access to match and training footage for detailed analysis.
 - Use analytics to identify strengths, weaknesses, and areas for improvement.
- 2. Player Development**
 - Enhance player development by using video feedback to reinforce coaching points.
 - Allow players to review their performances and understand their tactical and technical progress.
- 3. Coach Education**
 - Support coach education by providing video resources for tactical and technical analysis.
 - Facilitate coaching clinics and workshops using video examples.

Implementation Plan

- 1. Equipment Setup**
 - Portable VEO Cameras at training grounds and match venues.
 - Ensure cameras are properly maintained and functional.

2. Training and Education

- Provide training for coaches and staff on using VEO Cameras and analytics software.
- Conduct workshops for players on how to use video feedback for self-improvement.

3. Access and Distribution

- Make match and training footage available to coaches and players through a secure online platform.
- Ensure timely distribution of video and analysis reports.

Compliance and Review

- Regularly review the effectiveness of the technology tools and update the plan as needed.
- Ensure compliance with Canada Soccer Club Licensing requirements and data protection regulations.

Approval This technology support plan is approved by the CEO of Elite XI Soccer Academy
